## A MESSAGE FROM YOUR PRESIDENT. . . .

Belated Season's Greetings Montana JCI,

What a fun time in Sidney! It was great to see so many "lost" friends and catch up with everyone. It had been awhile since we had enjoyed their hospitality and the Sidney Jaycees once again outdid themselves. Our organization even grew when we proudly welcomed Lyle Goss, one of Sidney's own, as a new Senator.

Looking to the future, we will be heading to Laurel the weekend of February 12-14 for the MT JC year end convention, with our business meeting being held on Saturday the 13th. I'm sure all of the necessary paperwork and information to attend is available somewhere in this newsletter, so I'll move on. This is always a fun time, with many of our members who we don't see very regularly attending to catch up and reconnect. I'm sure our support, and help judging competitions, at this convention will be greatly appreciated. I look forward to seeing many of you there. Maybe we'll even find the time for some of that social networking we've done in the past.

The Montana Jaycees held their elections in September and elected a president who I believe embodies the JC spirit and will do everything she can to lead her team and the Montana Jaycees into a bright and successful future. LOTS brought some more positive changes to the Jaycees and their convention structure that we will discuss at our meeting. As a past MTJC president, I know how important the senate and its support is to the chapters of the Montana Jaycees and especially their leadership. We help insure they have whatever equipment they need to achieve their goals and reach their full potential. As Senators, we are also always ready to help out whenever and however we are needed. So, let's be sure to head out to Laurel and show President Chamene Plum and team our support, and thank President Misty and team for all of their hard work. In closing, best wishes to everyone in the New Year and keep up the JCI traditions of service and support.

Thanx,

Ross Moritz #65304

Montana JCI Senate President

### A MESSAGE FROM YOUR VICE PRESIDENT. . . .

Greetings from Lewistown,

I hope everyone had a very Blessed Christmas Season. How did it get to be 2010? It is hard to believe that I have been a Montana Jaycee for 15 years. Gary and I will celebrate our 15<sup>th</sup> wedding anniversary on January 28th.

We as the Montana Senate can take the time as the New Year is starting to help our local chapters. We each have a talent in some area that will allow our chapter to grow. I know our Central Montana club is a small committed group that has a lot of great people with great ideas. We need to help where we can. If it is just passing along a few names for a possible member we are helping in some way.

Peace,

Susan Barta  
Montana Senator# 65310
